Do You Know Your Own Business?

If you own shares in a business do you want a Government employe to tell your executives how to run your business.

If you are a loyal employe, do you want a political appointee to have the power to injure your operations or by interfering with its efficiency?

Perhaps you have noticed the effect of Government control on the railroads, telegraph, and telephone.

Bills have been introduced to license and regulate the packing industry—perhaps your business will be next.

You would probably dislike to have this happen to your business even more than you would dislike to have your daily supply of meat interfered with.

An Old Fault Finder

An irritable and fault finding disposition is often caused by indigestion. A man with good digestion and bowels that act regularly is usually good natured. When troubled with indigestion or constipation take Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels.

NOTICE TO DOG OWNERS

The attention of dog owners in the City of Alma is called to the following portions of Ordinance No. 167, in which their duty is specifically set forth. They are asked to procure licenses before Monday, September 1, Ordinance No. 167.

Sec. 2. It shall be the duty of each and every person owning, keeping or having in his or her possession within the limits of said city, any dog more than three months old, to apply to the Clerk of said City on or before the first day of July, in each and every year, and to obtain from said Clerk a license for the keeping of said dog, and to pay therefor to said Clerk for such license the sum of two dollars (\$2.00) for each male dog, and the sum of five dollars (\$5.00) for each female dog, except female dogs that have been spayed, and the license to be the same as for male dogs, but to prove the spaying of any such female dog the owner or keeper thereof shall, upon application for the license as herein provided, produce a certificate from a veterinary surgeon that such operation has been performed.

Sec. 3. Upon the making of such application as provided in the preceding section, and paying the license fee specified therein, the City Clerk shall then and there assign to such person a number and address of the owner or keeper of such dog, shall be recorded in a register, and a metal disc with a like number impressed therein, together with a receipt for the money paid for such license, shall be delivered to such person, and every person allowing any dog in his or her possession to run at large in said City, shall not only be liable to a fine, but also to the seizure of the dog, upon which shall be marked in a legible manner the name of the owner or keeper thereof, and to which collar shall be attached the metal disc aforesaid; provided, however, that no dog under the age of three months shall, at any time, be allowed to run at large in said City.

Sec. 4.
